USA PATRIOT ACT AND CUSTOMER IDENTIFICATION PROGRAM (CIP)

Summary

In response to the events of September 11, 2001, President Bush signed into law on October 26, 2001 the USA Patriot (Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism) Act of 2001. The act is comprised of several broad and wide-ranging anti-terrorism initiatives, including measures financial institutions must follow to detect, prevent, and assist in the prosecution of persons involved in money laundering and/or financing terrorism.

What is CalPrivate Bank doing to comply with the USA Patriot Act?

CalPrivate Bank is committed to comply with the provisions of the Act, including the required implementation of a Customer Identification Program, or "CIP". Based on the requirements of the CIP, we have created procedures for obtaining, verifying, and maintaining records of identifying information from clients opening "accounts".

Our use of the term "account" includes safe depositor renters, CD purchasers, holders of deposit accounts of all types, borrowers, credit card clients, trust clients, those who use our investment services, and those who utilize our cash management services.

To comply with the USA Patriot Act, we must obtain:

- The client's legal name;
- Date of birth (for individuals);
- A current physical address (P.O. Boxes or other such addresses may not be used)
- An identifying number (current Driver's License, Passport, etc.)

Additionally, the Bank must be able to verify the identity of the client through documentary and non-documentary methods (e.g., accepting identification).

Please know that all financial institutions in the United States are required to comply with the provisions of the USA Patriot Act – Customer Identification Program (CIP).

IMPORTANT INFORMATION ABOUT OPENING A LEGAL ENTITY ACCOUNT

Effective July 11 2016, new rules under the Bank Secrecy Act will aid the government in the fight against crimes to evade financial measures designed to combat terrorism and other national security threats.

EACH time an account is opened for a covered Legal Entity, we are required to ask you for identifying information (name, address, date of birth, social security number as well as identification documents) for:

- Each individual that has beneficial ownership (20% or more); and,
- Individuals that have significant managerial control over the Legal Entity.

If you are opening an account on behalf of a Legal Entity, you will be required to provide the appropriate documentation and to certify that this information is true and accurate to the best of your knowledge.

We proudly support all efforts to protect and maintain the security of our customers and our country.
